

# Twin Rear Bumpers

In *VolksWorld* article about previous Hessich-Oldendorf (August 1997 issue), I saw the photo below:

I was worried because I hadn't recorded this barndoor in my register. I also thought: "What a horrendous double bumper combo!". Indeed you can see post March 1953 big bumper with earlier ones but higher.

Some times ago I was reading *hot VWs* with an eye at the *Transporter Talk* column now written by Joseph Crockett. He wrote about Westfalias and the following photo was published:

Damn! I immediately thought about the Hessich unknown bus: it was a barndoor Westy! But I still don't know anything about it...
